- Interviews for the posts of Medical Faculty (which were published in the Newspapers on 03.04.2021) are likely to be conducted from 26th April, 2021 onwards.
- Details of the interview schedule will be uploaded soon after the last date of submission of applications, that is 18th April, 2021.
- This information is being shared so that all the applicants are aware well in advance of the tentative date on which the interviews will start.
- Interviews will be conducted in person. (Only under exceptional circumstances interviews will be conducted in online mode. The candidates who wish to be interviewed online should seek prior permission from the competent authority with valid reasons in writing. It will be the responsibility of the candidates to have good internet connection at their end.)
- Those who are given appointment offers will be required to join AIMS within one month of the offer being made..
