Subject:- Setting up of a Medical College at  
Jalandhar.

My dear kakkar,

As you would be aware, the State Government have approved the transfer of the entire area of 165 acres comprising the sugarcane farm and the sugarcane Research Station belonging to Punjab Agricultural University, Ludhiana to the Health & Family Welfare Department for the purpose noted at subject. The Department of Agriculture are taking steps for the transfer of land title. I am to request you to kindly arrange necessary assistance for proper demarcation of the limits of the land to be transferred from the Agriculture Department to the Health Department.

As you would also be aware, the Chief Minister is to lay the foundation stone for the Jalandhar Medical College at the University Farm site on November 1, 1993. I would request you to please identify, in consultation with the Civil Surgeon, Divisional Town Planner and the SSP, Jalandhar, a suitable site for the foundation stone laying ceremony. Dr. Hardeep Singh, Director, Medical Education and Research will also be associating in the process of site selection, and he may

MEMORANDUM FOR THE COUNCIL OF MINISTERS

Minister Incharge . . . . . Minister for Medical Education & Research.  
Secretary Incharge . . . . . Secretary Health & Family Welfare.  
Subject: - Setting up of fourth Punjab State Medical College at Jalandhar.

In order to expand avenues for higher learning in the field of medical education and research and to induct latest medical knowledge and techniques into our medical educational system, the case for the setting up the fourth Punjab State Medical College at Jalandhar has been under consideration for quite sometime.

2. Forward movement in respect of the proposal has been held up for the last about three months on account of two constraints:-

I. Want of a firm decision in regard to the location of the project.

There were two contrary view points, one in favour of taking a part of the research farm and extension unit of Punjab Agricultural University, and the other based on Town and Country Planning considerations, to locate the project in the development zone of the Department of Housing & Urban Department alongside the Nakodar road.

II. Want of adequate financial resources etc.

Member Planning Commission for this sector, Dr. J.S. Bajaj with whom the issue was taken up, was categorical in his assertion that no new medical college anywhere in the country in the Government sector would be approved by the Planning Commission during

The Eighth Five Year Plan. This decision of the Planning Commission has the endorsement of the National Development Council of which the Chief Minister is a member. With reference to Punjab, Dr. Bajaj also emphasized that the over-all resource position of the State was not such as might suggest the promotion of such a project in the Government sector.

In the light of the foregoing, and upon the direction of the Chief Minister, the Chief Secretary took a meeting of concerned Secretaries on 1.10.1993 to find a way out to comply with the wish of the Chief Minister for laying the foundation stone of the project on the New Punjab Day, 1st November, 1993. The minutes of the meeting are annexed with this note. The highlights of the decisions taken are:-

- (1) The entire lot of the sugarcane farm land (measuring 165 acres) and belonging to Punjab Agricultural University, will be transferred by the Department of Agriculture to the Department of Health & Family Welfare with immediate effect.

While the physical possession would be taken over piece-meal as per building requirements, from time to time, the transfer of land title would be effected immediately to enable the Health Department to move their proposal to the Medical Council of India.

- (2) Of the 165 acres, 100 acres would be set apart in the over-all area planned for the proposed medical college and the rest utilised for development and commercialisation, through which process the medical college would be funded.

- (3) Punjab Agricultural University, Ludhiana would be provided equal amount of area elsewhere, preferably by way of Government land, or through a process of land acquisition.

The Health Department would take steps to constitute a Society under the Registration of Societies Act to receive assets and undertake disbursement in appropriate directions, apart from dealing with plan approvals, managing and monitoring the construction of the project, as a whole.

The Society, so constituted, will place the land at the disposal of the State Housing Board, who will develop the entire land without profit consideration. The Housing Board will be the contracting agency for the registered Society and will, in accordance with the plan and design for the medical college, execute the project with the help of funds to be generated through commercial exploitation of the additional area of 65 acres (165-100 acres).

The Society will be provided with a sum of Rs. 6 crores initially by the Government, or the Punjab Housing Board/MARKFED to help meet the initial requirement for making an application to the Government of India/Medical Council of India.

The Health Department would constitute a Board at State Government level to be headed by the Chief Minister for general policy directions and a Steering Committee under the Chairmanship of the Chief Secretary for close monitoring of project development.

3. The minutes of the meeting have been seen and approved by the Chief Minister.

4. Approval of the Council of Ministers is solicited to the proposal contained in paras 1 and 2.

5. The proposal contained in this Memorandum have been seen and approved by the Minister for Research and Medical Education, as Minister-in-Charge of the Department of Research and Medical Education.

6. Permission of the Chief Minister has been obtained for placing this Memorandum before the Council of Ministers.

Dated, Chandigarh,  
the 9.10.1993.

G. P. G. Sghl  
Secretary to Government Punjab,  
Department of Health and Family Welfare.

Subject:- Setting-up of Medical College at Jalandhar.

....  
The Chief Secretary took a meeting in his chamber at 11.30 A.M. on 1.10.1993 to consider the matter shown at subject.

The following were present :-

1. Financial Commissioner Development ;
2. Finance Secretary;
3. Secretary Health & Family Welfare;
4. Secretary Housing & Urban Development;
5. Additional Secretary Health;
6. Director, Research & Medical Education;
7. Director, Planning.

The Chief Secretary indicated that the Chief Minister was keen that the proposal for the setting-up of a medical college at Jalandhar should be processed expeditiously and steps initiated forthwith. He said that the Chief Minister would like to lay the foundation stone of this important project on the New Punjab Day, 1st November, 1993.

2. The Health Secretary explaining the action taken so far, said that even though considerable home work had been done in regard to data collection to fulfil the requirements for the Medical Council of India, movement in the case had suffered for some time primarily on account of a firm decision in regard to availability of land for the purpose. He also brought to the notice of C.S. that Professor J.S. Bajaj, Member Planning Commission, with whom he interacted, had stated quite categorically that the Planning Commission were not in favour of clearing any proposal for a medical college anywhere in the country for the period of Eighth Five Year Plan. Accordingly, it would not be advisable to pursue the project as part of a proposal in the Government sector. SHFW

3) also brought to the notice of those present that alongwith firm possession of land, a bank balance of a minimum of Rs. 6 crores was required as a condition precedent to making a formal application to the Medical Council of India.

3) After considerable discussion, which encompassed the nature of the bodies required to be created, the institutions to be contacted, the know-how to be procured, and the funding strategy to be adopted, the following decisions were taken :-

1. The sugarcane farm belonging to the Punjab Agricultural University, Ludhiana will be transferred to the Health Department by the Department of Agriculture with immediate effect. Possession will be taken over piecemeal, as per the building requirements from time to time, in accordance with the need of the Health Department F.C.D. will immediately address Vice Chancellor PAU to initiate suitable steps forthwith to ensure that the de jure transfer is accomplished within a week so as to enable the Health Department move their proposal to the Medical Council of India.
2. Of the 165 acres, 100 acres would be set apart in the over-all area planned for the proposed medical college and the rest utilised for development and commercialisation, through which process, the medical college would be funded.
3. P.A.U. Ludhiana would be provided equal amount of area elsewhere, preferable by way of Government land or through a process of land acquisition.
4. The Health Department would take steps to constitute a Society under the Registration of Societies Act for purposes of constituting a suitable instrument in the non-Government sector, designed to initiate and progress the task of raising a medical college. Efforts may be made to constitute the Society along the same lines as the Longwell Institute of Engineering and the constitution of P.G.I. may also be taken into consideration. The Society would be the medium for receiving assets in its name and undertaking

disbursements in suitable directions from time to time.

- 5. The Health Department would also take steps forthwith to constitute a Board at State Government level to be headed by the Chief Minister for general policy direction.

Board

The Department would also take steps to constitute a Steering Committee under the Chairmanship of the Chief Secretary and comprising, in the first instance, of Health Secretary, Finance Secretary, and Housing Secretary for close monitoring of project development.

Steering Committee

- 6. After the control of the land has passed over to the Society, the said Society will further place this at the disposal of the State Housing Board who will develop the entire land without profit consideration. The Housing Board will be the contracting agency for the registered Society and will, in accordance with the plan and design for the medical college, execute the project with the help of funds to be raised from commercial exploitation of the additional area of 65 acres.

The Housing Board may consider the possibility of utilising the services of National Building Construction Corporation.

- 7. To help the Society with the initial requirement of 6 crores for making an application to the Govt. of India/M.C.I., this amount of 6 crores will be transferred by the Punjab Housing Board/Marked in the name of the Society.

- 8. A search would be initiated immediately for a Principal for the proposed medical college, who preferably should be a Professor and have a minimum of 5 years to go for superannuation.

To assist the Principal, search may be made for a Senior Medical Teacher with suitable administrative experience and with necessary breadth of vision.

- 9. The site for the foundation stone laying ceremony will be selected by the Health Department.
