

GOVERNMENT OF PUNJAB
DEPARTMENT OF MEDICAL EDUCATION AND RESEARCH
(HEALTH-3 BRANCH)

To

1. Gian Sagar Educational and Charitable Trust ***through its Chairman.***
2. Gian Sagar Medical College and Hospital, Ramnagar, Distt. Patiala ***through its Principal.***
3. Mr. Harsatinder Pal Singh, Managing Trustee, Gian Sagar Educational and Charitable Trust.
4. Ms. Barinder Kaur Bhangu, Managing Trustee, Gian Sagar Educational and Charitable Trust.
5. Mr. Manish Jakhar, Chief Executive, Gian Sagar Educational and Charitable Trust.

Memo No. 2/10/2012-4HB3/1500-1504
 Dated, Chandigarh ; 24.04.2017

Subject: Show cause notice for withdrawal of Essentiality Certificates/ No Objection Certificates.

With reference to the above captioned subject, the Department of Medical Education & Research, Government of Punjab, hereby issues you notice to show cause as to why the Essentiality Certificates/ No Objection certificates vide Nos. 2/24/05-4HB3/3359, dated 2-8-2005, 2/60/06-6HB3/3348, dated 20-06-2006, 2/59/2010-3HB3/1739, dated 26-3-2010 and 2/10/2012-4HB3/2704, dated 27-5-2013, granted to the Gian Sagar Educational and Charitable Trust **[the Trust]** for setting up and running the Gian Sagar Medical College and Hospital, Ramnagar, (Banur) Distt. Patiala **[the College]** M.B.B.S Course with intake of 100 seats per year and M.D/M.S Courses with intake of 15 seats per year may not be withdrawn on the following grounds:

1. Whereas the State Government had issued the Essentiality Certificates/ No Objection Certificates in your favour for setting up of the College.
2. Whereas the State Government had reserved its right, while issuing the same, to withdraw the Essentiality Certificates/ No Objection Certificates in case of non-compliance with the conditions of grant of such Certificate(s). The State Government is duty bound to take over the responsibility of the students already admitted in your College with the permission of Government of India/ the concerned regulatory Council.
3. Whereas the Essentiality Certificates dated 20.6.2006 was issued on the certification mentioned in clause 2 (d) that Adequate Clinical

Material as per Medical Council of India norms is available and in case you fail to create infrastructure for the Medical College as per Medical Council of India norms the State Government shall take over the responsibility of the students already admitted in the college. Furthermore as per clause 3 (6) of the Essentiality Certificate dated 20.6.2006, pay scale and emoluments of the staff were required to be given as per stipulated norms. Furthermore, as per the clause 3 (10) of the Essentiality Certificate ibid the Punjab Government has the right to withdraw the Essentiality Certificate if the Trust fails to meet any of the conditions contained therein.

4. Whereas Essentiality Certificate dated 27.5.2013 was also issued on the condition given in clause 4 that pay scale and emoluments of the staff shall be as per Punjab Government pay scale. As per clause 5 of the said Essentiality Certificate, inspection of the institute shall be carried out yearly basis upto the completion of the study of first batch of the students and thereafter periodically after three years. Furthermore, clause 8 of the Essentiality Certificate empowers the State Government to withdraw the No Objection Certificate if the Trust fails to meet any of its conditions.
5. Whereas the Trust had earlier also given an undertaking in April 2016 to create a corpus /fund for smooth functioning of the College but the same was not done. Further the commitment by the management to the State as well as to the University regarding intimating them on regular basis, in respect of utilization of funds was also not honoured.
6. Whereas various complaints have been received during the period February-March 2017 from the parents of the students, faculty and other supporting staff in respect of the management of the College.
7. Whereas an inspection was therefore got conducted by a duly constituted Inspection Committee through the Department of Medical Education and Research and Baba Farid University of Health Sciences, Faridkot. Inspection Committee by its report dated 4th March 2017 has found glaring deficiencies. **A copy of Inspection Report with its annexures is appended herewith.**
8. Whereas a careful perusal of the Inspection Report submitted by the Inspection Committee reveals that no salary has been paid to the employees after October, 2016 and there is complete mismanagement of finances generated from students fees and hospital income and the staff including the teaching staff has refused to resume duties till the clearance of pending salary. Furthermore, there has been no teaching for the last one month. There has been only few clinical classes for the last 6 months due to paucity of patients/ clinical material in the hospital resulting into crippling and suspension of teaching and practicals of Under Graduate and Post Graduate students. There is not only deficiency of faculty but even the existing faculty is not working due to non disbursement of salary. The College has been unable to maintain the required standards and infrastructure in respect of faculty, clinical material and other facilities such as hostel, mess including electricity, water supply, etc. and further the management is also not in a sound financial state to run the affairs of the College given its liabilities running into crores of rupees.

9. The clauses of Essentiality Certificates/No Objection Certificates and the violations thereof have been tabulated as under:-

Sr. No.	Clause of Essentiality Certificate(E.C)/N.O.C	Violation of the Clause as reported by the Inspection Committee
1.	No Objection Certificate No.2/24/05-4HBIII/3359 dated 02.08.2005	
	<p><u>Para 2 :</u></p> <p>"Whereas 300 beds running hospital is a pre-requisite for Medical Council of India clearance. The Institution shall essentially own a 300-bedded hospital, construct its hostel, provide facilities, infrastructure and engage qualified faculty before applying for inspection by the Medical Council of India.</p>	<p>The inspection report reveals that hospital is not functional. Similarly, although a hostel is constructed but due to non - supply of electricity and lack of other facilities, the hostel is not functional. The entire infrastructure created by the college is not being put to any use. The faculty has stopped imparting education on account of non-payment of salary.</p>
2.	Essentiality Certificate No.2/60/06-6HBIII/3348 dated 20.06.2006	
	<p><u>Clause 2 (a) :</u></p> <p>"It is certified that:-</p> <p>(a) The applicant owns and manages a 300 bed hospital at Vill. Ram Nagar, Distt. Patiala, which was established in 2004. However the applicant would establish a 500 bed hospital at Village Ram Nagar, Distt. Patiala alongwith the proposed Medical College.</p>	<p>The hospital managed by the Trust is not functional and is closed. Hardly any practical or clinical training has been imparted in the last six months. No patient admitted in entire hospital. O.P.D attendance has been quite low for the last 6 months. All wards gave a deserted look with some of them being locked when inspected by the committee. No emergency registration taking place. It all implies that the entire hospital has come to a complete stand still.</p>
	<p><u>Clause 2(d) :</u></p> <p>(d) Adequate clinical material as per the Medical Council of India norms is available. It is further that in case the applicant fails to create infrastructure for the Medical College as per Medical</p>	<p>The adequate clinical material as per Medical Council of India norms is not available . The Trust has failed to maintain the infrastructure in running condition as per Medical Council of India norms.</p>

	Council of India, the State Government shall take over the responsibility of the students already in the college with the permission of the central government.	
	<u>Clause 3 (6):</u> The pay scale and emoluments of the staff shall be as per stipulated norms.	The staff is not being paid any salary, what to say of paying emoluments as per stipulated norms.
	Essentiality Certificate No.2/59/2010-3HB-III/1739 dated 26.03.2010	
	<u>"Clause 2 :</u> 2. Essentiality Certificate/No Objection Certificate is issued in favour of Gyan Sagar Educational and Charitable Trust, Ram Nagar, Banur to start M.D./M.S. course in 8 subjects Physiology, Community Medicine, Microbiology, Pathology, Forensic Medicine, Anatomy, Pharmacology & Bio-Chemistry for 2010-11 subject to the conditions laid down by the Government of Punjab/Baba Farid University of Health Sciences, Faridkot/ Medical Council of India, New Delhi.	There is total lack of teaching and clinical work due to poor patient inflow in the last six months. No recent Journal/Book has been purchased in the last 2 years. Thesis work badly affected due to lack of clinical/teaching work in respective specialities. No stipend has been paid to P.G. students for the last seven months. The Trust has failed to maintain the Hospital as per Medical Council of India norms and the requisite faculty is not imparting any education due to non-payment of salary. Therefore, the students cannot be given practical and clinical training.
	<u>Clause 3 :</u> The above Essentiality Certificate/No Objection Certificate is also subject to the condition that the instructions/guidelines issued by the Government from time to time will also be applicable to them.	The Trust has failed to comply with the instructions/guidelines issued by the Government for running the College smoothly by providing and maintaining adequate infrastructure and faculty.
	Essentiality Certificate .2/10/2012-4HB3/2704, dated 27-5-2013	
	<u>Clause 4 :</u> The pay scales and emoluments of their staff shall be as per Punjab Government pay scales.	The staff is not being paid any salary, what to say of paying emoluments as per stipulated norms.

	<p><u>Clause 7 :</u> The project is to be implemented as per the approved project report within the prescribed time.</p>	<p>The Trust has failed to maintain the project as per the approved project report.</p>
--	--	---

10. Whereas the State Government had made various efforts to find a solution/ remedy, including calling for meetings with the management seeking concrete action plan for revival of Trust/College to which the management did not respond positively. Written notices were received by the trustees as well as the Chief Executive Officer but no 'way-forward' was put forth for resumption of the teaching activity in the College.
11. Whereas a statement was suffered by Mr. Harsatinder Pal Singh, Managing Trustee, on behalf of the Trust *ibid* and the management that all pending dues including salaries and Government liabilities will be cleared by 31st March 2017.
12. Whereas no action has been taken in spite of the written assurances and undertakings till date and the teaching activities in the College are lying stalled resulting in serious implications on the career of hundreds of students duly admitted in the College.

In view of the above, you are asked to Show-Cause as to why immediate action regarding withdrawal of Essentiality Certificate/ No Objection Certificates of the College, not be taken.

In case no satisfactory response is received within 7 days of the issuance of this notice, the Department of Medical Education and Research, Government of Punjab shall take immediate further action for withdrawal of the said Essentiality Certificate/ No Objection Certificates.

 24/4/17
Secretary to Government of Punjab,
Department of Medical Education and Research.

GGSMCFDK No/Med/1/2017/142

Date: 4/03/2017

①

Inspection report - Gian Sagar Medical College & Hospital, Banur.

The following faculty members inspected the institute on 1st March 2017

- I. Dr. Ravinder Garg, Prof & Head Medicine, GGS Medical College Faridkot
- II. Dr. Manjeet Singh, Prof & Head Orthopaedics, GMC Patiala
- III. Dr. Sachin Walia, Prof & Head Ophthalmology, GMC Patiala
- IV. Dr. Harminder Singh, Prof & Head Pharmacology, GGS Medical College Faridkot.

The following observations were made by the committee members:

Faculty:

Committee members took the total list of faculty presently working in the College from the Principal office and thereafter, physical verification of the faculty with their signatures was done. The observed strength (Head count) at 11.30AM on 1/3/2017 was as follows:

- | | |
|----------------------------------|----|
| I. Professor= | 17 |
| II. Associate Professor= | 13 |
| III. Assistant Professor= | 15 |
| IV. Senior resident= | 03 |
| V. Junior resident/demonstrator= | 18 |

The faculty members are neither taking classes nor regularly examining patients but just come in the college council room.

On interaction with the faculty members in the college council room, the following grievances were reported:

1. No salary paid after October 2016
2. No accountability of funds i.e. mismanagement of the finances generated from student fee and hospital income. The faculty members were unanimously of the opinion that the income from student fee is sufficient enough to meet with the salary of whole staff including the paramedical & class IV employees but there is some kind of siphoning of the same leading to a financial crisis.
3. Excess of ministerial and clerical staff, disproportionate to the requirement, also precipitating the financial crisis.
4. On 15th April 2016, the management committed (undertaking by the CEO) to create a separate corpus fund (from student fee) solely for the disbursement of salary, in the presence of Vice Chancellor BFUHS, Secretary Medical Education and DRME, but no action taken till date.
5. Resumption of duties not only after clearance of pending salaries but also on creation of separate corpus fund so that such a situation does not build up in the future.
6. The hospital has unlimited scope of patient inflow and this clubbed with the availability of all the infrastructure & building, the hospital has tremendous capability of providing ultimate patient care and clinical material for UG & PG teaching.

PG students:

[Signature]

[Signature]

2

The College has post graduate program in two disciplines i.e. Surgery & Anaesthesiology with an intake of 2 students per session and presently there are a total of 8 PG students in the 2 disciplines. The interaction with these students highlighted the following points:

1. No stipend paid for the last 7 months
2. Total lack of teaching & clinical work because of poor patient inflow for the last 6 months and practically none for the last 1 month. Approximately 150 surgeries carried out in the last 18 months.
3. Thesis work badly affected due to lack of clinical/teaching work in respective subjects and this issue giving them restless nights.
4. No recent journal/book purchased in the last 2 years.
5. Erratic power supply in the hostel.

The students repeatedly requested that they be shifted to other institutes keeping in view that their career was at stake and that even if the institute gets back to work now, its going to take many months to normalise.

UG students:

Interaction with UG students of all the sessions revealed that,

1. no under graduate teaching for the last one month.
2. all the students forced to pay their respective fee in advance (Rs 7 lac each from 50 students under management quota & Rs 4 lac each from 50 students under Govt quota) but still deprived of their basic right to education.
3. erratic power supply with long power cuts in the hostel in addition to unhygienic washrooms.
4. erratic availability of meals in the hostel mess inspite of the fact that mess payments already made in advance to the college authorities.
5. made to pay undue fine (Rs 500 for each class) for shortage of attendance even if the same is much more than the MCI norms.
6. only few clinical classes for the last 6 months due to paucity of patients/clinical material in the hospital.

Hospital functioning:

Electricity/ power supply of the hospital disconnected due to lack of payment of pending bills and presently the hospital receiving the same from genset.

OPD:

Total OPD attendance of 35 patients at 2 PM with almost all the OPD s giving a deserted look. Not only that , the OPD attendance quite low for the last 6 months. OPD patients being attended by the residents and occasionally by the faculty members sometime in their offices only.

IPD:

No patient admitted in the entire hospital, both Medicine & allied and Surgery & allied specialities. All the wards giving a deserted look with some of them locked.

Emergency department:

[Handwritten signature]

[Handwritten signature]

3

No emergency registration in the last 24 hrs and prior to this, only 5-6 entries per day and that too OPD cases only. Even prior to one month, very thin emergency patient attendance in the Emergency record.

Diagnostics:

No patient registration in Radio-Diagnosis deptt at 2.15pm and same about all the laboratories because of unavailability of reagents, kits, etc

Financial Assessment :

- AGM finance admitted to the committee members that no salary paid to any staff member including faculty, paramedics and class 3 /4 employees for the last 4-6 months.
- College defaulted in payment of loan to PNB as the instalment of Rs 4.5 crore due in Jan 2017 not deposited.
- Total annual income is approx Rs47 crore (Rs 40crore from student fee and Rs 7 crore from hospital), which is more than that required to cover the salary of all categories of staff.
- The net present liability is approx Rs52 crore in addition to Rs11 crore bank loan.

Summary/ Conclusions :

Gian Sagar Medical College & Hospital, with an annual intake of 100 UG & 4 PG (in 2 disciplines) students is presently crippled with suspended UG/PG teaching and practically nil OPD/IPD strength for 1 month primarily and solely because of lack of funds. There is not only deficiency of faculty but even the existing faculty is not working due to non disbursement of salaries for 4 months. The salary of paramedical & class 3/4 staff also stands pending for the last 5-6 months. PG teaching needs urgent intervention for smooth thesis work & good clinical exposure. UG classes and hospital functioning, which is totally paralysed, needs to be restored and the accommodation/mess facilities need to be monitored regularly. Most important, the funds generated & spent by the management requires monitoring so that the same is spent judiciously on salary & hospital /patient care thereby creating accountability for the same, more so because the previous undertaking given by the management (to the Govt) has not been complied with.

Enclosed:

1. Faculty position/attendance (Annexure 1).
2. Representation by Medical faculty (Annexure 2).
3. Representation by PG students (Annexure 3).
4. Representation by UG students (Annexure 4).
5. Copy of undertaking by the management in April 2016 (Annexure 5).
6. Copy of gross financial position, issued by AGM Finance (Annexure 6).
7. Representation by Dental faculty (Annexure 7).
8. Representation by Nursing faculty (Annexure 8).

④

Suggestions:

As already mentioned in the observations it is evidently clear that at present Gian Sagar Medical College management is not prepared to take interest in resolving the above mentioned problems and put the institution in the working mode; the committee members give the following suggestions.

1. The Government should give a notice to the management to clear the financial liabilities and put the college in the working mode. They should also assure smooth working of college in future.
2. Failing this the Government should make alternative arrangements to run the college. As this is the question of career of MBBS and PG students. This also concerns the faculty and paramedical staff, as the salaries are not being paid. In that case the faculty of the college which is already getting reduced may become very thin in number which would further hamper the career of MBBS as well as PG students.

ANNEXURE - II

①

The Vice Chancellor
Baba Farid University of Health Sciences,
Faridkot, Punjab

Subject: REGARDING NON PAYMENT OF SALARIES SINCE OCTOBER 2016
AT GIAN SAGAR MEDICAL COLLEGE & HOSPITAL, RAJPURA

Sir

Reference to above subject, we, the Faculty member of Gian Sagar Medical College, request you that:

In February 2016, because of non-payment of salaries for 6 months, Gian Sagar Faculty and other staff went on strike which continued for nearly 3 months. Due to this the studies of MBBS, MD/MS, BDS, MDS, Physiotherapy and Nursing students were badly affected. After the intervention of worthy Vice Chancellor, DRME, and Secretary Medical Education the issue was resolved with following understanding:

1. There will be separate fund/ account (ESCROW account) of students' tuition fees and from this account salaries will be paid to all the employees required according to MCI norms
2. The faculty members will regularly receive their salaries within first week of every month

As per above understanding, till September 2016, we were paid salaries very irregularly as the fees were not received after two or three months. BUT FROM OCTOBER 2016, WE HAVE NOT RECEIVED EVEN A SINGLE SALARY.

Although the faculty salary is the minimum than other (Govt. as well as private) medical Institute, even then management is unable to pay staff salaries.

We have the management many times for release of our salaries, but due to their callous attitude towards students and faculty members, WE WERE FORCED TO SUSPEND OUR DUTIES FROM FEBRUARY 01, 2017. Despite FIVE weeks of our suspension of duties, management didn't still come to negotiation table.

As MCI inspection is due any time in early 2017 and in the present scenario of bare minimum faculty, which is also ready to leave because of non payment of salaries, the derecognition of the Institution by MCI guidelines is on the anvil. This will badly affect the studies and future of approx. 2000 students of MBBS, MD/MS, BDS, MDS, Physiotherapy and Nursing.

So kindly intervene in this issue as early as possible, in the interest of students, faculty and the Institution.

Hoping for a positive response.

All Faculty Members, Gian Sagar Medical College
Ram Nagar, Rajpura, Patiala

Enclosed -

1. Document containing current problems of Faculty and their demands
2. Previous year undertaking from CEO, Gian Sagar Medical College regarding smooth functioning of college (which is not fulfilled)
3. News Paper Cuttings regarding this matter

Total number of Pages - 5

Signatures of Faculty on 1a x 2a

CURRENT PROBLEMS

- No salary for last six months to any of the staff members.
- Improper working of hospital. (eg. non availability of simple reagents for lab tests, non functioning of CT scan, non availability of simple basic medicines.)
- No electricity connection to hospital, college, hostels and staff quarters, because of non payment of bill to electricity department.
- No food for students in mess and canteen.
- Present Faculty strength is 1/3rd of what is required as per MCI norms.
- Non-required HR/ Accounts / Managerial staff in excess and siphoning of funds for their salary.
- Very less pay structure as per MCI norms:

OUR DEMANDS

1. Immediate payment of salaries till date.
2. To prevent any issue in future, pertaining to salary disbursal we would suggest
 - Government should intervene and in public interest, if possible take over the institution and run accordingly.
 - As the present management is unable to run the institution, so force this management to sell the institute to some other party who could smoothly run it, as per MCI norms.
 - Creation of a bank account meant specifically for deposition of tuition fees of MBBS students of GSMCH only. An official / representative from BFUHS, DRME or Health Secretary should be given authority to operate the said account who in turn would be responsible for timely disbursal of monthly salaries to GSMCH faculty and staff hired strictly as per MCI norms.

GIAN SAGAR FACULTY

Gian Sagar medical college in fiscal mess again

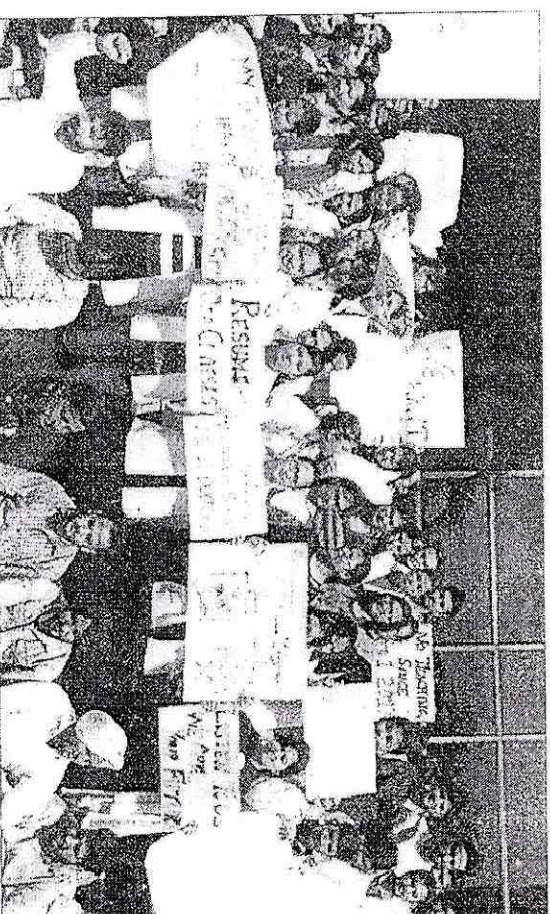

GAGAN K TEJA
Tribune News Service

PATIALA, FEBRUARY 27

The issue of the non-payment of salaries to the medical and paramedical staff of Gian Sagar Medical College and Hospital, Banur, for the past five months has brought down the institute on its knees yet again as the teaching and medical facilities in the institute have been suspended for the past one month, causing great loss to the students and patients.

To add to their woes, the team of the Medical Council of India will soon visit the college for inspection to see whether it qualifies for admitting the next batch of MBBS students or not.

Apart from the financial constraints that have been keeping the authorities on tenterhooks, the college has serious shortage of faculty, which might become a threat for the very existence of the institution. There are only about 75 faculty members against the requirement of about 150

Students from Gian Sagar Medical College and Hospital hold a protest in support of their demands in Banur on Monday. TRIBUNE PHOTO: RAJESH SACHAR

for the medical college and some departments have only one or two doctors.

This is not the first time that the authorities have failed to disburse the salaries of staff for months together. There have been protests in the past too in this regard and the staff has

been completely boycotting working. This time also, the faculty has been repeatedly requesting the management to pay their salaries and had even brought the matter to the notice of Vice-Chancellor of the Baba Farid University of Health Sciences and Director Research and Med-

ical Education Dr Sujata Sharma, but to no avail.

Annoyed over the situation, the students have now joined the agitation, demanding timely salaries to their teachers and technical staff. Apart from that, the students are also demanding adequate staff strength, hostel facilities

Unpaid staff

■ Medical, paramedical staff not paid salary for past 5 months

■ The teaching and medical facilities in the institute have been suspended for the past one month

■ There are only about 75 faculty members against the requirement of about 150 for the medical college and some departments have only one or two doctors

■ The team of the Medical Council of India will soon visit the college for inspection to see whether it qualifies for admitting the next batch of MBBS students or not.

and proper utilisation of their fee. To get their demands fulfilled, the students also held a protest march holding banners and raised slogans against the management for present crisis. They have even met DRME, seeking her intervention to save their future. A student said though the

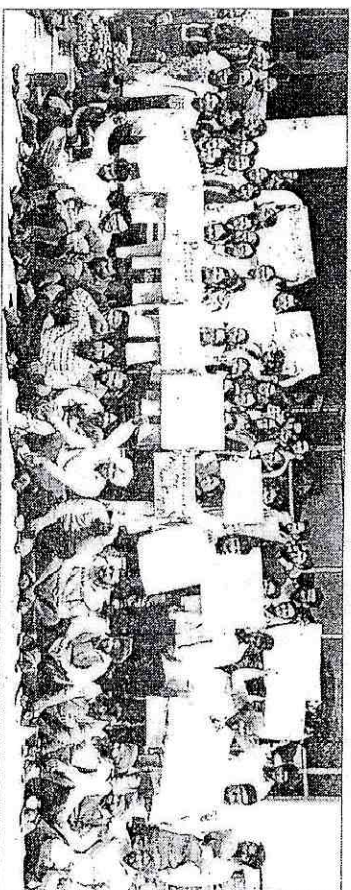

exams were around the corner the teaching had been suspended, putting our studies at risk. Moreover, hostellers were facing tough time as they had not been provided food by mess operators and electricity supply was erratic due to non-payment of electricity bill by the management, the student said.

"Though we have time and again requested the management to look into our problems, all requests fall on deaf ears, and we are left with no option but to raise our voice against the management. Even now if the management does not take note of our issues, we will intensify our struggle," he said.

Meanwhile, accepting that the institution and the students were suffering as the university exams were nearing, Dr AS Sekhon, Dean of the Gian Sagar Group of Institutions, said the management had assured him that they would try to resolve the issue in the coming week.

वेतन न मिलने पर डाक्टरी व कर्मचारियों ने की नारेबाजी

वेतन न मिलने पर मेनेजमेंट के विरुद्ध नारेबाजी करता अस्पताल का स्टाफ।

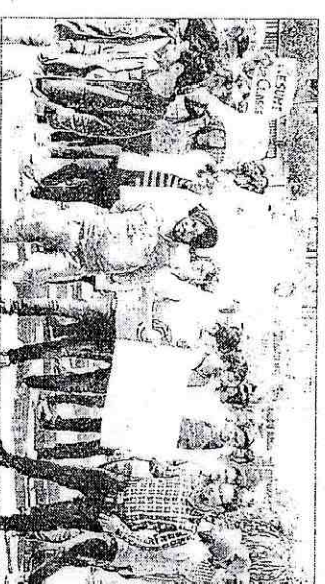

कनूड, 27 फरवरी (अमनदीप) : ज्ञान सागर अस्पताल और मैडिकल कालेज के डॉक्टरों व कर्मचारियों ने पिछले 4 महीनों से वेतन न मिलने के कारण मेनेजमेंट के विरुद्ध आख नारेबाजी की।

मिलने के कारण पिछले 20 दिनों से सभी काम छोड़ कर शांतिश्री प्रदर्शन कर रहा था। इस दौरान वार्डार्थी भी डाक्टरों और संपुचे कर्मचारियों के

(अमनदीप)

संवर्ध में डूटकर साथ खड़े हो गए हैं। अभिभावकों ने इस नुकसान के कारण बच्चों के भविष्य पर लगा रहे प्रश्नचिह्न की लेकर पंचाब सरकार की लिखित पर भेजकर इस गंभीर मामले में दखल देने की मांग की थी परंतु सरकार की तरफ से भी इस मामले को ठंडे बस्ते में डाल दिया गया है। मैडिकल कालेज के निवाशियों ने बताया कि उनके पैपर सिर पर हैं परंतु प्रोफेसर्स की तरफ से क्लासों का बायकाट किए जाने के कारण उनका मिलेबस अधूरा पड़ा है जिस कारण उनके भविष्य पर खतरा के बादल मंडरा रहे हैं।

निवाशियों ने सरकार से मांग की कि सरकार इस मामले में सीधा दखल देते हुए जहाँ हमारी क्लासों

रोष रैली करते डाक्टर व स्टाफ।

का प्रबंध करे, वहीं उन्हें किसी और मैडिकल कालेज में शिफ्ट करके उनकी पढ़ाई के हो रह नुकसान को बचाए। इस संवर्ध में जब अस्पताल के डीन डा. ए.एस. सेखों से संपर्क किया गया तो उन्होंने कहा कि इस बारे में मेनेजमेंट के साथ बातचीत चल रही है और जल्द ही डाक्टरों और अन्य कर्मचारियों के रुक वेतन रोजीज कर दिए जाएंगे।

PG STUDENTS OF ANAESTHESIA + GENERAL SURGERY

ANNEXURE - III

- 1) There has been huge deficit of patients in this institute for past $1\frac{1}{2}$ years which has adversely affected the clinical training of PG students of Anaesthesia + General Surgery.
- 2) As a result of huge deficit of clinical patients we are even unable to complete our thesis work.
- 3) PG students have not been given monthly stipend for past 7 months.
- 4) Clinical training of PG students has also been severely hampered by strike which occurred last year. Even after strike was over, there was no improvement as far as clinical training of PG students was concerned.
- 5) Due to above stated factors our clinical training has been hampered due to which we are unable to acquire necessary clinical skills expected of a clinical PG students.
- 6) Electricity supply is only available in Hostels for only 8 hours a day.
- 7) There are only "8 PG STUDENTS" in this institute in Dept. of Anaesthesia + Surgery (4 each).

Date: 27.02.17

(Through Proper Channel)

To,

The Vice-Chancellor

Baba Farid University of Health Sciences

Faridkot

Subject : Shifting of PG students (Anaesthesia & General Surgery) of Gian Sagar Medical College & Hospital to other Medical Colleges of Punjab affiliated under BFUHS.

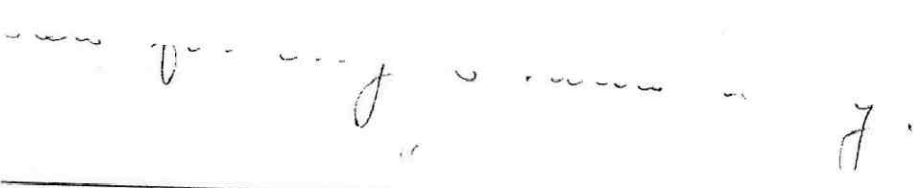

Respected Sir,

This is to bring to your kind notice that we took admission on merit basis through BFUHS, Faridkot in Department of Anaesthesia & General Surgery in Gian Sagar Medical College & Hospital. The present scenario in the college due to ongoing strike since 1 month as a result of non-payment of salaries to the entire clinical & non-clinical faculty & hospital staff has adversely affected the clinical training & teaching of PG students (Anaesthesia & General Surgery). Last year also there was a similar situation which saw a complete shutdown of the institute. The management time & again ensured us that the condition of the institute would improve. But after the strike was over last year, there was no improvement.

For the last 1 year, there have not been enough patients for us to learn clinical & practical skills expected of a clinical PG student. Even for the thesis work the patient load is not ample. Moreover we have not been paid our monthly stipend for the past 7 months. We are the ones who are suffering the most. After observing the condition of the institute for past year & waiting for it to improve would be akin to experimenting with our career.

It is our humble request to you to shift the PG students of Anaesthesia & General Surgery to the other Medical Colleges of Punjab affiliated under BFUHS in order to continue our clinical training & teaching uninterruptedly so that our crucial period of PG training does not go wasted.

We shall be highly thankful to you.

Date: 27/02/2017

Yours sincerely,

TO WHOM IT MAY CONCERN

ANNEXURE - IV

Respected Sir,

The following is the list of demands by the students of
Gian Sagar Medical College and Hospital. We request you to
look into these and get the issue sorted out at the earliest.

OUR DEMANDS:-

Resumption of all the classes on immediate basis which
have been discontinued since February 1, 2017.

Fulfillment of required staff according to MCI Rules &
Regulations. Only 70 out of required 150 staff is present.
Proper utilisation of fee given by students, by the
management.

Transparency in utilisation of tuition fee by setting
up a "corpus" account in the university where all
students will submit their tuition fee.

Smooth and continuous functioning of mess all year round.
24/7 supply of electricity.

Stop unnecessary "collection of fines" in exorbitant
amounts and harassment of students.

The First Professional students (Batch 2016) are greatest
sufferers due to upcoming university exams in May/June
2017 with >50% of the syllabus uncovered and loss
of clinical and theoretical classes by the rest of the
batches.

Management should come out and be answerable to the students.
All the students are being made to suffer for no fault of
theirs, so we request you to intervene and solve this
matter at the earliest.

Thank You.

Students of Gian Sagar Medical College & Hospital

TO WHOM IT MAY CONCERN

Respected sir,

the following are the demands of the students of 1st professional year , Gian sagar medical college. please look at these issues and help resolve them as early as possible.

OUR DEMANDS :-

- 1) Resumption of classes at the earliest . we have our classes discontinued since February 1st 2017 and more than 50 % syllabus is pending .
- 2) transparency of utilisation of funds is essential as we have paid our tuition fees , mess charges and other expenses in advance to the college management , but there is no provision of the corresponding services.
- 3) There is irregular mess service inspite of prepayment of mess charges. students are not provided with meals .
- 4) there is inadequate electricity supply. there are power cuts for more than 10 hours per day.
- 5) Cleanliness of hostel and washrooms is of utmost importance. there have been a few cases of problems due to the unhygienic condition of hostel and mess.

Please help us resolve these issues as early as possible.

A copy of fee structure and receipts are also attached.

ANNEXURE VII

To

The Vice Chancellor
Baba Farid University of Health Sciences
Faridkot, Punjab

Subject: Regarding non-payment of salaries since October 2016 at Gian Sagar Dental College and Hospital, Rajpura.

Sir,

In reference to above mentioned subject we the faculty members of Gian Sagar Dental College and Hospital request you that we have not been paid our salaries since the month of October 2016 despite repeated assurances by the management from time to time. Similar situation occurred in October 2015 when the staff was not paid salaries till five month i.e. Feb 2016 and were promised that similar situation will not occur in future.

Although the faculty salaries is minimal and not in confirmation with Govt. /Dental Council of India norms, even then management is unable to dispense the salaries regularly.

The faculty approached the management to resolve the issue but their careless attitude forced the entire faculty to suspend their duties from 01.02.2017 and the students are also made to suffer.

Kindly intervene in this matter at the earliest in the interest of faculty, students and institution.

Hoping for a positive response at the earliest.

ANNEXURE - VIII

To
The Hon'ble Vice-Chancellor
Saba Farid University of Health Sciences
Faridkot

Subject: Not getting salaries

Respected Sir,

With due respect, we faculty of Gian Sagar college of Nursing, Ram Nagar, Banur want to inform you that we are not getting salaries since November, 2016 till date. But still keeping students in mind we have been taking their classes regularly, but all of us are already facing a huge financial crunch and will not be able to survive in such circumstance for longer time. Furthermore, the management is unable to provide salaries from the last two years on regular basis and also faculty is not getting salaries as per INC norms. So, we request your goodself to please look into the matter and provide some solution as soon as possible.

Thanking you in anticipation,

Yours sincerely,

All Teaching Faculty & Other Staff
Gian Sagar College of Nursing

On the behalf of all faculty
